

# Deep and Wide

S. E. Cox

1. There's a won-drous foun-tain, Filled with liv-ing wa-ter,  
2. Sweet and gra-cious is the Voice that bids us wel-come—  
3. There is life a-bun-dant— gift from God our Fa-ther—

Flow-ing from the Sav-ior's wound-ed side, There's an  
Cease your wea-ry wan-d'ring and a-bide— Where the  
Source, whence ev-'ry need may be sup-plied— It is

in-vi-ta-tion to the heav-y la-den, To this foun-tain  
heal-ing wa-ters flow from liv-ing foun-tains, Foun-tains that are  
of-fered free-ly, with-out price or mon-ey, Drink from Heav-'nly

Flow-ing deep and wide. Deep and wide, Deep and wide, There's a  
pure, and deep and wide. wide. Deep and wide, Deep and wide, There's a  
foun-tains, deep and wide.

foun-tain flow-ing deep and wide, Yes 'tis deep and wide,

Deep and wide, There's a foun-tain flow-ing deep and wide.
