1. For Christ and the church let our voices ring,  
2. For Christ and the church be our earnest prayer,  
3. For Christ and the church, will - ing of - ferings make,  
4. For Christ and the church let us cast a - side,

Let us hon - or the name of our own bless - ed King.  
Let us fol - low His ban - ner, the cross dai - ly bear.  
Time and tal - ents and gold, for the dear Mas - ter's sake.  
By His con - quer - ing grace, chains of self, fear, and pride.

Let us work with a will in the strength of youth,  
Let us yield, whol - ly yield, to His Spir - it's power,  
We'll re - mem - ber the best we can bring to Him,  
May our lives be en - riched by an aim so grand,

And loy - al - ly stand for the king - dom of truth.  
And faith - ful - ly serve Him in life's bright - est hour.  
The heart's wealth of love that will nev - er grow dim.  
Then hap - py the call to the Sav - ior's right hand.

For Christ, our dear Re - deem - er, For Christ, Who  
For Christ, For Christ,

died to save, For the church For the church His blood has

pur - chased, Lord, make us pure and brave.
