Lord, You set the earth in place; It moves as You command.  
Day turns in-to night and night to day in the rhythm You have planned.  
The seasons come, each in their time; The oceans ebb and  
flow. This world that You've cre - at-ed has been de - signed to show  
That You are faith - ful, faith - ful. All Your prom - is - es are  
sure; All Your mercies will en - dure. You are faith - ful, faith - ful.  
You are faith - ful, Lord, to me. Lord, You set Your steadfast love  
on fal - len, sin - ful man. Long be - fore in A - dam we re - belled,  
You designed sal - va - tion's plan. For cen - tu - ries Your prophets spoke  
of a Savior yet to come, Then in Your perfect timing, You
